

DEPUTY SHERIFFS' ASSOCIATION OF PA.

3/29/2017

Greetings;

I want to take this moment to bring you up to date on the activities of your association. Times are hard on all associations. We have cut cost and are working on resources for funding that will allow the organization to keep more of the money raised instead of making the vendor richer using our name. The Executive Directive James Lee since his retirement from the Philadelphia Sheriff's Office has taken the duties of running the day to day operations of the office. This has saved resources. Thank you Jim for your service.

I have attended all PSA and NSA events and conferences to empower and gain support both from our Sheriffs and our National teams. I believe that our goals are the same and that our relationship with the PSA is at its all time high. Having a working relationship with the past and current presidents of the PSA on legislation, we believe that finally dealing with the issues of the authority. I have been asked to testify at the upcoming hearing. We are closer than ever before.

Due to the lack of participation, the 2016 Roy B. Herbert Top gun Match was postponed. The Philadelphia Sheriff's Office Training Division will be making up that match this summer so look out for more information.

To help raise funds for the organization, two events are being planned in the near future. 1. A gun raffle 2. Meet and Greet for deputies from around the state. Look for further information soon on the web page.

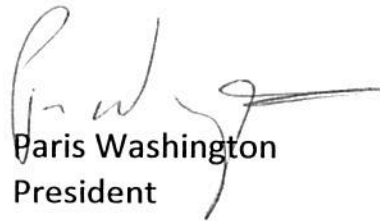

The PSA and the DSAP are on the same track. Our future is one in the same. For the rest of my term I will continue to fight for us and promote programs that benefit and not harm deputy sheriffs in the commonwealth.

I am calling for all members to get involved to secure our future in this profession. If you are not a member join. We are stronger together. And can make a difference.

The number one concern is our safety

I want to thank Sheriff Eric Weaknecht of Berks County who as so many other Sheriffs are now paying the dues for his deputies.

God Bless and be safe
